Copies are sometimes compelled to be detained. It is requested that action may kindly be taken to ensure posting before 2-30 P.M. Inquiries with the Compiler go to show that it is not possible to post them earlier than 4 P.M. on Thursday. An early reply is requested.

Retransmitted with compliments:--

3 Matter intended for publication in the Gazette espec measures or rules framed to meet many of the emergencies - arising on account of the war are often received late on Wednesday evening though as per standing orders matter int ed for publication in a week's Gazette has to be received this office by Tuesday evening of that week. All these notifications are followed by requisitions to the effect that they have to be published in that week's Gazette, whi on account of the emergent nature of the circumstances - cannot be overlooked. As result of all this, Gazette cop are completed and ready for despatch only by about 3 P.M. Thursdays. Pasting of address slips and the verification the same require an hour or so. Under the circumstances is not found practicable to make over the Gazette to the Post Office earlier than 4 P.M. The pressure on the Pres will be relieved to a great extent if the Post office agre to take delivery of the Gazette packets by about 5 P.M. on Thursdays. The Post office may have to make some special arrangements on Thursdays for the despatch of Gazettes to their destination.

To

The Secretary to Government,

Sir,

With reference to Government Notification No.A.F. 180-265/P & S 122-42-3, dated 15-7-43, regarding the fixing of the time for the receipt of notifications intended for publication in the Gazette, in this office, I have the honour to state that the above notification has been published in part III-1 of the Mysore Gazette dated 22-7-1943. Even after the publication of this notification, matter for publication in Parts I, II and IV are being received late on Wednesday instead of Monday for parts I and IV and Tuesday evening for part II. A statement showing the late receipt of the notifications is herein enclosed for kind reference. It is with some difficulty that copies of Mysore Gazette of last week were despatched to the Post Office before 3 P.M. As the notifications were of an urgent nature, they had to be issued for publication though they were received late. There will not also be sufficient time to refer the matter to the respective Departments for obtaining permission to publish them in the next Gazette. In these circumstances I request that necessary instructions may be kindly caused to be issued to the different sections of Secretariat, to send in matter for publication within the time prescribed in the above notification so that the printing and despatch of the Gazette may be kept to the scheduled time.

I have the honour to be,
Sir,
Your most obedient Servant,
